

Company overview

Imerja is a specialist IT service provider for medium to large corporate enterprises, with a proven track record of working with some of the UK's most respected public and private sector national and multi-national organisations.

With a strong pedigree in delivering a range of IT infrastructure, IT security and specialist services, including 24x7 managed services and complex hosting, Imerja provides its customers with a broad portfolio tailored to meet their individual needs. All of Imerja's services are delivered by specialists within the industry and are flexible in scope and content, creating and delivering increased value to its customers.

We see IT from
your perspective

Imerja recognises the importance of relationships in developing long term, sustainable and mutually beneficial business partnerships. Short term gain is not sought at the expense of developing a long term trusted relationship and as a result Imerja enjoys 100% customer retention. Imerja's core values of **Trust, Innovation, Passion** and **Customer Satisfaction** reflect its ethos and underpin all aspects of its business activities and customer deliverables.

As a trusted partner to its customers, Imerja is often cited as being able to 'punch above its weight' and works with an enviable list of leading private and public sector organisations throughout the UK. These include household names such as Virgin Media, Harrods, Selfridges, Royal Mint, Tote Sport, RNLI and the Medical Research Council, as well as central and local government organisations, healthcare institutions and educational establishments.

“Imerja provides excellent support and technical services, and their approach to business suits the way we like to work – in partnership with others to deliver services of the highest standard.”

IT Manager
Knowsley Housing Trust

“Imerja is a very responsive organisation and one we are happy to return to time and again for technical expertise and support – the strength of the partnership speaks for itself.”

Head of Operations
Retail Decisions

With a strong combination of skills diversity, integrity, and flexibility Imerja believes it has a unique proposition offering customers services of exceptional quality and value. Imerja delivers professional excellence, open partnership, and a proven track record of working with organisations who engage Imerja for its dynamic and flexible approach. Imerja is not afraid of embracing difficult areas of projects that would otherwise affect successful outcomes.

All of Imerja's services are tailored to meet specific client needs and each service is flexible in its scope and content, focused on delivering best value to the client organisation.
